

Summary and Interpretation of UDOH Dining Restrictions

**Effective 11:59 p.m. March 18, 2020
Until April 1, 2020**

1. All dine-in food service (inside and outside) is prohibited.
2. Buffets, salad bars, and unpackaged self-serve foods are prohibited.
3. Drive-through, take-out, delivery, and curbside pickup are allowed.
4. Customers are prohibited inside establishments except to pick up food.
5. Walk-through ordering establishments (e.g. Subway) should move to online and phone ordering where possible. Otherwise practice social distancing (6 feet between) and limit the number of people in line (see #13). Have customers wait outside as needed.
6. In house dining prohibitions apply to grocery stores with delis and cafes.
7. Establishments that have self-serve foods must switch to pre-wrapped foods, have trained staff serve guests, or stop serving self-serve food.
8. Hotels that serve breakfast must restrict dining and have guests eat in their rooms. Hotels shall eliminate self-serve options and have staff serve guests.
9. Sick employees are to be sent home. Sick customers are to be excluded from the business.
10. Cash should be avoided where possible.
11. Employees who handle cash or credit cards should use cleansing measures between transactions.
12. Employees who handle payments should not handle food. If one employee must do both, extra sanitation measures shall be followed.
13. Gatherings of more than 10 individuals are prohibited.

*This order is temporary, and will be reevaluated on April 1.
