Easy access to your personal and family immunization records

Track future shots, access vaccine forms, add family to a shared Docket® account, and more.

1. Set-up your account.

Download the *free* **Docket**® app.
Login with email, **Apple**, or **Google**.

2. Search state registries.

Note: your first name, last name, date of birth, and legal sex must match your state record. In addition, your record on-file with the state *must* contain a valid email or phone number.

3. Manage your records.

Back-to-School Forms
Tap the standard share icon next to your name to access a PDF record. Email, text, print, and directly from your phone.

Simple Vaccine Verification
Select the QR code icon to access your COVID-19 SMART® Health Card.

Add family members
Tap the plus icon on the Immunization Search History screen to add your family to a shared Docket® account.

Easy Record Refresh
Got a new shot? Drag and release to refresh your records. Your new shot will automatically appear if it was correctly reported to the state.
